Information Disclosure Statement

Dear Sir or Madam:

In order to comply with the discretionary regulations 37 CFR 1.97 and 1.98, attached hereto is Form PTO-1449, and copies of the documents listed thereon pursuant to 37 CFR 1.97. These documents contain information that the Examiner may consider to be important in deciding whether to allow the present application to issue as a patent.

In accordance with MPEP Sections 609 and 707.05(b), it is requested that each document cited be given thorough consideration and that it be cited in the record of the prosecution history.

No representation is intended that the documents represent the results of a complete search. It is anticipated that the Examiner, in the normal course of examination, will make an independent search and determine the best prior art consistent with 37 CFR 1.104(a) and 1.106(b), and in the course of each search, will review for relevance each document cited in the attached form.

Respectfully submitted,

Aug. 10, 2004
